FLY FIREFLY TO KOH SAMUI

Take advantage of Firefly's customised holiday packages to Koh Samui. Ms Angelina Fernandez, head of marketing and communications for Firefly said: "Requests for golf packages and team-building activities in Koh Samui are popular among corporate clients. For this niche and growing market of travellers, we have created off-the-shelf packages to meet the varied travel budgets."

Firefly has also noticed a growing demand for weddings and honeymoon packages at resorts in Koh Samui. "Upon request, Firefly can create a memorable experience from the moment clients board the plane – by providing them with welcome drinks, personalised meals and headrest covers with their names on it," added Ms Fernandez.

What's more, Firefly has direct, non-stop flights between Subang and Koh Samui with convenient timings and complementary essential add-ons such as a 20kg check-in baggage allowance. For more information, visit www.fireflyz.com.my.
